

Mid Term Conference
Hof van Saksen, Drenthe (NL)
14th April 2011

Dear Sir or Madam,

On behalf of the lead beneficiary of the North Sea SEP project, Jade University of Applied Science in Oldenburg, and the Drenthe partners it gives me great pleasure to invite you to our mid term conference.

Location:
Hof van Saksen
Veldweg 22-24 • 9449 PW • Nooitgedacht • +31 (0)592 - 245959 • www.hofvansaksen.nl

14th April:
Conference 'Sustainable Energy Planning in the North Sea Region' from 10 – 5 pm.

During the conference political representatives and external experts from the partner regions will give their views on the future prospects for energy planning. Topics will include economics, climate, and European, regional and local goals for innovation in sustainability and energy planning. There will also be ample opportunity for discussion and the exchange of knowledge and ideas.

An exhibition area is available, offering an international platform to communicate and exchange more information about the various regional North Sea SEP projects as well as other projects associated with this theme – we would be delighted to reserve a space for you!

On 15 April, there will be a study trip to Wijster which is open to all participants of the conference.

Please see the attached documents for full programme details, details on the study trip and a registration form. For organizational purposes we would greatly appreciate it if all registration forms are submitted to one of the following e-mail addresses by 25th March 2011.

We look forward to welcoming you to the beautiful province of Drenthe! Should you require further information please do not hesitate to contact us.

Yours sincerely,

Mr. B.L.J. van Os
Project Manager
